WINEMAKER'S NOTES

It's no wonder that Riesling is among our top sellers, with its fresh aromas of peach and pear, light body and balanced acidity. We are fortunate that Riesling grows so consistently in the Grand Valley, providing us with a supply of exceptional fruit, even in lean years. With good quality grapes and a variety of local growers and wineries producing world class Riesling, it's no surprise Colorado Riesling is making a name for itself.
