**FERMENTATION/AGING**

No malolactic fermentation  
Un-oaked, no barrel aging

**WINEMAKER'S NOTES**

The Grand Valley AVA is known for its hot, dry days and cool nights. This combination of hot and cold produces grapes that are very well balanced in terms of fermentable sugars and acidity. Our Rosato is a delightful wine, light and refreshing. In winemaking, Rosé is very interesting to produce—it requires a delicate understanding of how much pigment and structure to allow into the final wine, ensuring that the finished product is the right blend of color, acidity and light sweetness.
